

**GOD HAS BLESSED US.
GOD HAS DELIVERED US.
GOD HAS KEPT US SAFE.
I'M HERE TO TELL YOU -
DON'T BE AFRAID.**

If you're like most people, you're probably asking The Lord "With all the wars, bombs, and killing going on in the world right now, how can I feel safe?"

I'm Evangelist Beverly Willis. In this video, I'm here to tell you that *up until now*, God has taken care of us - *and He will continue to do so.* Through the strife and unrest, *God will protect us.*

Maybe you are *afraid of terrorism.* Maybe you've *lost a loved one over seas.* You might be having *trouble with alcohol* and you're not sure how to get your life back together. It could be just *fear of the unknown...*

Don't live your life in fear. Don't lose faith in The Lord. He is here to keep you safe and provide for you. Let me show you how.
